ARE YOU . . .

A Home Builder?
A Community Builder?
A Nation Builder?
An Empire Builder?

If you can answer yes to the first two questions the remaining two automatically answer themselves. The citizen that is a home builder and a community builder is one of the most prized citizens any country or nation can possess.

Loyalty to one's home and community is a loyalty that should be part of our makeup. Loyalty to one's own district in supporting local organizations, clubs, churches, movements for improvements, local business concerns, etc., is a sure way of BUILDING for the good of all concerned in your district.

In the territory the Review covers there are many trading areas, all with more or less well defined boundaries, the various islands, in particular, could be mentioned. North Saanich is also a compact area of 20 square miles, and South Saanich has its several churches with schools, churches, stores, clubs, etc.

The success of these units or districts depends on the loyalty of citizens within the same. Conscientious people hesitate before diverting business to outside points and in the majority of cases buy at home, if the article required can be purchased in their community. They realize that local business concerns contribute to the upkeep of all worthy movements, to the churches, schools, hospitals, etc.; that they help considerably in paying local taxes to build up the community; that when misfortune befalls local merchants are genuinely concerned and extend a helping hand.

There are residents, of course, in the various communities, who apparently have not given the question of "Buy at Home" due consideration and buy almost exclusively in the big cities. Their money goes out of circulation in their own district immediately and to build up OUTSIDE centres instead of their own. To these buyers we would urge consideration of their local business concerns. Many, we believe, have not stopped to reason the matter out and will possibly buy more at home after thinking it over. Local concerns, of course, will also have to give due consideration as regards price. We believe that local firms now realize this and are endeavoring more than ever to meet city competition. To those who are not in the habit of buying at home we would suggest that they ascertain just what the local merchant can do before placing their next order outside their district.

Wednesday evening the business people of Sidney met under the auspices of the Sidney Businessmen's Association to discuss ways and means of encouraging more local citizens to buy at home. Improvements in service and lowering of prices came into the discussion and an earnest endeavor is underway to meet city prices. If those citizens who deal almost exclusively on the outside will co-operate by doing business locally we believe the extra volume will result in benefit to all concerned.

Are you doing your part to BUILD UP YOUR COMMUNITY?

THOSE TALL FALLS

Della Falls, in Strathcona Park on Vancouver Island are causing considerable interest. According to a writer in the daily press they are not the highest in the world. It is claimed that this honor goes to New Zealand, where a height of 1,904 feet is credited to Sutherland Falls. This is considerably higher than Della Falls and will be hard to beat. Sutherland Falls, we understand, drop the total distance in three jumps, 800 some odd feet being the biggest drop. Della Falls, we are informed, makes the drop in three leaps also.

The local falls apparently have not been definitely checked, in fact no map of this particular region is available at the government offices in Victoria. The list of interested individuals, locally, is growing and plans are being made to journey up to Della Falls and say "How do! How tall are you?" The leading aspirants to this trip are J. J. White, C. C. Cochran and F. J. Baker. Information regarding the falls region is being sought.

JERSEY CLUB IS ADDRESSED BY DR. KEOWN

The Saanich Jersey Cattle Club held its June meeting June 10th at W. D. Mitchell's with President Burbridge in the chair. The chairman reported that he had attended the last meeting of the Calf Club and along with Prof. Straight was much impressed with the advance made by its young members in the conduct of their meeting and in ability to get up and say what they wanted to say. He then mentioned that the Canadian Jersey Cattle Club was seeking to compile a list of 5,000 cows, that is cows which have made that much fat in their life time, and one such cow had existed in Saanich, the property of Reg. Thompson. Oxford Interested Trillby, who made 102,000 pounds of milk with 5,100 pounds of fat.

He then called on Dr. Gordon Keown to explain the details of a pamphlet issued from the School of Agriculture, Cambridge, England, on the technique of artificial insemination.

At the conclusion the doctor received the thanks of the meeting. The July meeting will be on the 18th, at Metehost, by invitation of Gavin Weir.

ARDMORE WINS J. J. WHITE CUP

The Ardmore Golf Club retained the J. J. White Challenge Cup, which is played for annually by the golf clubs of the Saanich Peninsula and the Gulf Islands.

After losing the first match to Salt Spring Island with a score of 3½ to 8½ they captured the second match 11-1, making a total of 14½ to 9½.

Playing on the home course the ladies' team of the Ardmore Golf Club defeated the Macaulay Point Club with a score of 5 points to 3 points.

Playing at Duncan the Cowichan Golf Club scored 21 points to Ardmore's 9 points.

MANY ENJOY W.A. FETE AT DEEP COVE

The Evening Branch of Holy Trinity and Saint Andrew's Women's Auxiliary wish to thank all their many friends who came to their tea and table contest on Saturday, June 15th, especially those who took the time and the trouble to enter tables and vases.

There were 12 entries in each competition, and all were so pretty both the judges and the public had a difficult time to decide which they liked best. In the end Table No. 9, done in pink and silver, arranged by Miss Coline Cochran, was the decided favorite, winning both the judges' decision and the popular vote. The judges also especially mentioned Table No. 2, a bridge tea table, all in blue, arranged by Mrs. Bazzett-Jones. Second in popular vote was No. 6, a yellow table, with a bowl of yellow columbines in the centre, arranged by Miss Enid Sisson.

The vases were as hard to choose as the tables. The judges' prize went to Vase No. 2, arranged by Mrs. Nelson No. 5, by Mrs. H. G. Horth.

During the afternoon a strawberry tea was served. The Evening Branch is also indebted to Mrs. Lyle for so kindly playing the piano during the ten hour.

The home-cooking stall was very well patronized and sold out early. The branch greatly regretted that there was no dancing as advertised but the artists from Victoria were unable to be present, and it was only known too late to arrange another program.

The Evening Branch also wish to thank Mrs. Trillby and Mrs. Pense for so kindly doing the judging for them, also the Boy Scouts, who gave their afternoon in helping to direct traffic.

GOLF COURSE FOR GALIANO

By Review Representative GALIANO ISLAND, June 19.—The south end of Galiano Island is to have a golf course! This added attraction will no doubt mean much towards attracting visitors. Galiano today is one of the most popular of the Gulf Islands.

C.C.F. NOTES

Representatives of the three North Saanich C.C.F. clubs visited Ganges on Sunday, the 16th, to assist in organizing a district council. All arrangements were satisfactorily completed, each club in the Islands riding now being linked up with the parent body.

The jubilee anniversary of the consecration of Holy Trinity Church on June 27, 1885, will be celebrated on Thursday, June 27, at 10:30 with Holy Communion and short address. The service will be conducted by Rev. H. S. J. Payne and Rev. J. S. A. Bastin.

GARDEN PARTY AT GANGES ON JUNE THE 26TH

GANGES, June 19. — The Ganges Chapter of the I.O.D.E. held their monthly meeting recently at the home of Mrs. A. J. Eaton, the regent, Mrs. Desmond Crofton, presiding and 21 members present.

The regent proposed a standing vote of sympathy on the passing of the late Mrs. Moutat, a valued and beloved member of Ganges Chapter since its inception.

The secretary, Mrs. E. Walter, read the minutes of the last monthly meeting and the financial report was presented by Mrs. Frank Crofton. Other correspondence was dealt with.

The chief business was making arrangements for the garden party to be held at the home of the regent (Mrs. Desmond Crofton) on Wednesday, June 26th, when there will be various attractions to interest both children and adults.

Mrs. J. C. Kingsbury and Mrs. C. S. Macintosh will be in charge of the rose stall, the proceeds from the flowers to go to the Queen Alexandra Solarium; Mrs. J. Mitchell and Mrs. A. R. Price, "Brit Dip," and Mrs. Percy Lowther, ice cream and soft drinks.

Among the amusements will be fortune-telling, coconut shies, rifle range under the management of Desmond Crofton; bagatelle, Graham Shove, and clock golf, Mrs. Gordon Reade.

Tea will be served at small tables in the grounds and will be under the co-sponsorship of Mrs. Desmond Crofton, Mrs. H. Johnson and Miss Beddis.

The proceeds from this entertainment will be given towards improving the I.O.D.E. room in the Lady Minto Golf Islands Hospital. Owing to the daily newspapers being available for the returned men at Shaughnessy Heights Hospital, it was decided to donate The Province to Ward No. 10 in that institution.

The next meeting of the chapter will take place on the first Friday in September.

The tea hostesses were Mrs. Frank Crofton and Mrs. Alex. Scoones.

DEVELOPMENT OF EDUCATION FOR ADULTS

Following considerable work on the part of the local committee on the subject of "Adult Education" in charge of have brought to hand the following letter forwarded to this department at the University of British Columbia. This we are publishing in order that our details may be conversant with details to date:

O. J. Todd, Esq., Secretary, University Extension Dept., U.B.C., Vancouver, B. C.

Having surveyed the district of Sidney and interviewed a number of people as time permitted, your committee on Adult Education proposals, is of the following judgment:

1. — That there are two distinct groups to whom some assistance could be profitably offered, viz., (a) Young men for whom public and high school have had little appeal, and for whom home circumstances have made attendance at such schools almost impossible, and who now have more or less leisure, owing to unemployment.

(b) Young business men and others of similar age who are interested in business methods and kindred things.

2. — That some course of lectures or addresses which would enlighten both of these groups, as well as other persons, as to the economic, cultural and idealistic potentialities of selected courses of study, would be of distinct advantage.

In conversation with young men the following practical courses were suggested by them: Diesel engines, if small model was available; motor mechanics; applied arts; and aviation. Bookkeeping and business methods together with an allied phase of English was also strongly desired.

It is our considered judgment that if one or more of these courses in either group could be supplemented by a course of lectures as already suggested, the immediate needs of this community would be best served.

We shall be very happy to assist in any way open to us as plans of the university in this connection develop and as more detail is available.

As a committee we are Yours sincerely, HAROLD DIXON, Secretary.

Sidney, B.C., June 4th, 1935.

REV. CONNELL IN SIDNEY

Thursday evening Rev. Robert Connell, leader of the opposition in the Provincial House, gave a very interesting and informative talk on the C.C.F. The Clubhouse, Third Street, was well filled by an audience that listened attentively to the expounding of a movement, aiming at public ownership of the means of life, as the only satisfactory solution to the private capitalist breakdown.

The speaker said that private capitalism had failed not only in supplying our economic needs, but that its failure from the ethical, artistic and the humane standpoint was even more disappointing. Inhumanity goes with the system and is shown in the courts of justice and by our governments as well, he said. He made reference to a number of instances to emphasize his points.

Mr. Connell was accorded a hearty round of applause at the conclusion of his address.

E. Tuttle, president of the Sidney club, acted as chairman.

BASEBALL

Last Sunday afternoon the Tillicums of Victoria journeyed to Sidney with junior and senior teams to engage the local players. In the first five-inning game between the juniors the visitors won 4-3. "Just A Dug"

A wee bit o' Scotch by a young Scottish poet, presented by his friend and admirer, Bobby Sloan.

A little tail wi' joyous glee
Nae mair will please his master e'e,
A little form wi' blinding hold
Lies near the kirk like broken reed,
The crowd aye gather, pou' an' lug,
The cry goes round "It's just a Dug!"
To them, wee friend, thy life is nocht,
But to thy master whilk a thocht.

When warldly cares had taken toll
Thy joyful bark did cheer his soul;
He's thinking now wi' tearful e'e
On pleasant moments pass'd wi' thee,
Thou aye o'keed his back an' en,
And oft he strok'd thy wee white paw,
But now he'll look at vacant rug,
An' shed a tear for wee white dug.

Our human love's a fickle thing
Containing oft a jealous ring,
But love, wee dug, such love as thine
Approacheth near that enlivened devine,
A mother may her daughter spare,
A father from his son may turn,
But thou art man's immortal friend
And staunch companion to the end.

To him who's lost a wee bit dug
The hand o' sorrow oft will tug,
In memory's walk he oft will see
A little form wi' blinding e'e,
Thy life was friend, 'twas not in vain,
Thou oft didst soften master's pain,
Thy love surpass'd a' that o' men—
Ta tell it is beyond nae pen.

"It was worthless until properly advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to boom. In a few years Gillette was a rich man. His company came to have a capital of \$6,000,000, with a profit of \$1,500,000 and factories all over the world.

One fact stands out: THE IDEA WAS WORTHLESS UNTIL PROPERLY ADVERTISED.

Why shouldn't you benefit by advertising? Harness the "power of the Press" to your own problem. Tell people about your product or service. And keep telling them! It's the "hammer, hammer, hammer" that brings the business in. Remember —

LOCAL GOLF

Sir:—May I trespass on your time, and space, for a few minutes to make a few comments on the golf match played last Sunday at the Ardmore Course, between teams representing Ardmore and Salt Spring Island.

I understand there is a cup at stake, to be held for the year by the club winning the aggregate of the matches of a home and home series.

I do not know who the donor of the cup is (being a new comer here) but I presume that the trophy was given with the idea of fostering the spirit of good sportsmanship and friendly rivalry between the clubs concerned, such gifts usually are, and I would presume that in the deed of gift some rules were drawn up for the competition.

In friendly matches of this nature it is customary for the visiting team to send a list of their players, showing their handicaps, and the home team conforms to this by selecting players (as far as possible) of even handicap.

But in the match referred to above such a courtesy was evidently never thought of, as, with the exception of the leading four players on the Salt Spring team, no one was given even a sporting chance of winning his match, players being pitted against men of much lower handicap, the difference being as much as six to eight strokes in most cases.

From the comments I overheard on the return journey, I would predict that this competition will die a natural death, unless some means are taken to rectify the obvious unfairness of the competition, as it is not to be expected that players will be found willing to take part in it unless they feel that they have at least a 50-50 chance of winning their game. I know quite a few of the Ardmore players personally and always found them to be good sports, and as I understand the rules governing the competition are fixed by their executive committee I would appeal to them to take some steps to keep this competition alive, by correcting the unfairness outlined in this letter, before next year.

Thanking you for publishing this.

"BIRD" AFTER CAT

Sir:—A real climb and M. E. Bird of Patricia Bay was the climber! In spite of Mr. Bird's advanced years, he performed the feat in a manner that would put to route many athletes.

The tree was about 12 inches through, at six feet from the ground, and bare of limbs for about 70 feet, then up to about 90 feet had only small limbs. At this elevation sat a black cat, which had reposed there about a day and a half, no doubt afraid to come down to earth or maybe he had thought of higher things above.

At any rate Mr. Bird, who has a kindly nature towards dumb animals, volunteered to climb up and rescue pussy. If scratching is a cat's way of appreciating a kindness Mr. Bird can show evidence of pussy's love and thanks.

It is not the first cat that Mr. Bird has taken from such spots and scratches or no scratches Mr. Bird and the cat (safely in a bag) always come to earth, for Mr. Bird is surely an expert climber. There were no climbing irons used in this feat and with the exception of some cat scratches and torn socks Mr. Bird came down fit and fine, just a little tired. In ten minutes he said: "Oh! I feel equal to doing it over again, and I would, sooner than see an animal suffer."

Well I thank Mr. Bird for saving our cat, and I appreciate his kindness towards animals.

If the joke can be excused, I would say I have often seen a cat climb a tree after a bird, but in this case it was a Bird after a cat.

BRANCH PICNIC

A joint picnic of the Branch and the North Saanich Service Club has been arranged and will take place on Saturday, July 13th, at the Experimental Station.

Further particulars will be published later and members of the Branch are requested to keep that date in mind and arrange to be present with their families.

THE VIMY PILGRIMAGE

(From The Legionary)
Between 600 and 700 ex-service men residing in Ottawa have responded to a request from the Civil Service Commission for returned soldiers in the employ of the Dominion Government to report their intention of participating in the Vimy Pilgrimage. The request was made for the purpose of enabling the Commission to deal with the question of civil servants' holidays next year.

On the basis of this report and a preliminary survey of other ex-service men in the city, the Ottawa Branch of the Legion now estimates that a minimum of 1,000 veterans and relatives, resident in the Dominion capital, will join the Pilgrimage.

From other parts of the country the reports received at Pilgrimage Headquarters are equally optimistic, but Ben W. Allen, the Dominion organizer, has again requested The Legionary to urge all intending pilgrims to register and pay the initial \$10.00 deposit at the earliest possible moment. The extensive arrangements for sea and land transportation and billeting must be made many months in advance, and as these of course will be based on the number of passengers going, the pilgrims can render individual co-operation by registering NOW. Refund of the deposit in full will be made, should anyone find it impossible later on to go.

Actual registrations, with deposits paid, numbered 437 on April 30. Considering that it is more than 14 months before departure this must be regarded as highly satisfactory and indicative of the large numbers that may be expected. But as already stated, definite figures to deal with are of the greatest importance to the National Committee, so let the slogan of every ex-service man and woman in Canada be —
"On To Vimy—Book Early."

Bride-Elect Guest at Miscellaneous Shower

By Review Representative
GANGES, June 19. — A jolly surprise party and miscellaneous shower in honor of Miss Edith Porter was held recently at Vesuvius Bay at the home of Mr. and Mrs. F. Wilford, who with Mr. and Mrs. C. A. Goodrich were joint hosts.

The room and table were prettily decorated with pink roses and pinks. Miss Porter has been a resident of the island for the past two years, where she was a teacher at the Ganges Public School. She will be leaving shortly for Victoria, where her marriage to Mr. Lorne Gorntner of Gibson's Landing will take place some time in August.

The early part of the evening was spent in playing bridge, four tables entering the play. The prize winners were Mrs. Norman West and Dr. Hellem.

A large and prettily decorated box made in the shape of a wedding cake, covered and decorated with white crepe and silver paper, was surmounted by tiny kewpie dolls representing a bride, bridegroom and wedding party, was presented to the guest of honor by Norman West.

The box, which was filled with many useful and pretty gifts, was the work of Mr. Goodrich.

Among other guests present were Mrs. A. Inglis, Mr. and Mrs. Gavin Mount, Mr. and Mrs. Porter, Mr. and Mrs. Neil Smith, Miss Florence Grove, Miss Kathleen Smith, W. Spiller and Rowland Inglis.

PARK FUNDS AUGMENTED

A meeting of the directors of the Sidney and North Saanich War Memorial Park Society took place Friday evening at Stacey's Hall when the business in connection with the 24th of May was dealt with and other matters discussed.

The gross receipts for the day amounted to \$123.39, while expenses amounted to \$40.36, leaving a balance of \$83.03. The total credit balance of the park now amounts to \$93.63.

Considering counter attractions and a smaller attendance the day was considered very successful — the net proceeds being only \$2.00 less than last year.

Various committees reported — indicating that the program had been carried out without a hitch and right on time throughout.

The weather had been ideal and the added features of May Queen and Maypole dancing on the lawn apparently caught the fancy of those that attended for favorable comments were heard by various directors throughout the district. A committee was appointed to look into the matter of securing a suitable sign for the entrance to the park. Another committee is undertaking to look into a tree-planting "bee" later on, the immediate idea being to draft a plan for future action and to prepare the ground by setting off a series of shots while the ground is dry so that trees planted next February will have a better chance to grow.

Keen interest was evinced by those in attendance. J. J. White acted as chairman in the absence of E. R. Hall, president.

WEDDING OF ISLAND BOY

By Review Representative
FULFORD, June 19.—A quiet wedding took place on Friday evening at 7 o'clock at the residence of the bride's parents, Mr. and Mrs. R. Patrick, 766 Middleton Street, Victoria, in the presence of a few relatives and intimate friends, when Christina, only daughter of Mr. and Mrs. R. Patrick, was united in marriage to Mr. George Reynolds, eldest son of Mr. and Mrs. Frank Reynolds of Beaver Point, Salt Spring Island.

The bride and groom made their vows beneath a floral archway prettily decorated in mauve and white flowers, Rev. A. de B. officiating.

The bride looked charming in a blue travelling costume with grey accessories. She wore a corsage bouquet of roses and was attended by Miss Martha Rosman.

Mr. Gavin Reynolds, the groom's brother, was best man.

Charming floral decorations were arranged on the reception table, which was centred with a beautiful two-tiered wedding cake. After a short honeymoon Mr. and Mrs. Reynolds will make their home on Salt Spring Island.
